MUSICAL RIDGE

The Program

Musical Ride Camp runs during the summer camp program from 8:30 a.m. to 3:30 p.m., Monday to Friday. The day includes two riding lessons, which focus on timing, control and rhythm. The lessons will be used for the group to work as a team in order to build a musical ride, which will be put on for parents and guests on the Friday afternoon. This camp program is designed for advanced riders who are looking to try something new and may include outdoor riding lessons.

Kids Pick Their Own Music!

In the past we have had favourites such as Disney, Chicago the Musical, Country, Good Old Oldies and much more. This is your chance to pick out your old time favourites and help us give them the show they deserve!

REGISTRATION

To register for Musical Ride Camp, simply attach this portion of the form to the regular camp registration form.
