

“Dedicated to Equestrian Education”

YORK EQUESTRIAN RIDING SCHOOL

Summer Starter Package

July and August 2018

Summer is a perfect time to learn how to ride!

The Summer Starter package includes 8 weekly lessons from July to August, designed for adults (16 years +) who are ready to try something new! Each lesson is divided into three parts: a half hour learning to groom, handle, and tack up a horse; a half hour riding lesson with a certified coach; and a half hour lesson on horse care including untacking, grooming, and taking care of equipment.

All lessons must be completed over in July and August, 2018.

Due to the short timeline of the program, missed lessons will not be refunded.

If you have any further questions regarding this program please do not hesitate to contact us.

Thank you for your interest in our lesson program. We can't wait to share our love of horses and riding with you!
